

## **GMV MINERALS CLOSES OVER SUBSCRIBED NON-BROKERED FINANCING**

**VANCOUVER, BC, February 16, 2021 – GMV Minerals Inc.** (the “Company” or “GMV”) (TSX-V: GMV) (OTCQB: “GMVMF”) announces that its non-brokered private placement announced on February 8th, 2021, has closed with the issuance of 1,458,334 units at a price of 24 cents per unit for gross proceeds of \$350,000, with all securities issued having a four-month hold period, which expires on June 17, 2021.

Related parties to the company (as defined in Multilateral Instrument 61-101 -- Protection of Minority Security Holders in Special Transactions) participated, subscribing for 219,167 common shares for proceeds to the company of \$52,600 and representing approximately 15 per cent of the funds raised. Participation by such related party in the financing constitutes a related party transaction, as defined under MI 61-101. Since the common shares acquired by the related party are under \$2.5-million, the issuance of securities is exempt from the formal valuation requirements of Section 5.4 of MI 61-101, pursuant to Subsection 5.5(c) of MI 61-101, and exempt from the minority approval requirements of Section 5.6 of MI 61-101, pursuant to Subsection 5.7(b) of MI 61-101.

As previously announced, each unit in this offering consists of one common share in the capital of the company and one-half of a share purchase warrant. Each whole warrant entitles the unitholder to purchase one additional GMV common share at a price of 35 cents per share at any time within 24 months of the closing.

There were no finder’s fees paid in conjunction with this non-brokered placement.

The net proceeds of the offering will be used to advance exploration activities at the company's 100-per-cent-controlled Mexican Hat gold property, located in southeastern Arizona, as well as for general working capital
